

such men were apt to lack  
 lashing in qualities: gentleness,  
 generosity, unselfishness, patience  
 & tact which were the qualities  
 needed by a civil chief. It is  
 known for example that Roma  
 rose refused the office of  
 civil chief because he did not  
 feel fit for it. Now a days,  
 very few nations are ruled by  
~~gen~~ military leaders. We no  
 longer expect mil. men to  
 possess qualities necessary for  
 natl. leadership in time of  
 peace. It is therefore  
 absurd, to go on repeating  
 the words of S.B.'s critics of  
 the 1870's. If S.B. had been  
 like Call or on the other  
 hand like John Brown, he

would have been only to the  
 man he was. - Both of  
 them were swindled one for  
 lack of intelligence, the other -  
 - courage.
