

generally on Big + little Missouri
& Powder Rivers -

W.B. not with S.B. in Canada -

was WB with S.B. after S.B. return -
up there quite a while after his return.

Did W.B. stay in S.B. camp at
Stand R. -? alone so in S.B. camp -
special incidents. At the time of S.B.
journeyed to Canada - Before he reached
Can. the Crow, Cheyenne + Kiowa were in fight
with Can. - all diff. and came to
meet + have talk with S.B. who
advised them to make peace with
whites in Can. - the soldiers came to
the line + S.B. talked with them - what
was said, the soldiers put down in
books + W.B. doesn't want to tell us.

From what I heard at time he
was talking to Can. captain, it was
all wrong - after he (S.B.) was returned
from Can. - a Can. representative came

(to see S.B. + I was present - at Stand
R. agency) - one day I went to S.B. band
+ while I was there - + he came to S.B.
tent + I was sitting by S.B. - the
whole camp was out to see what the
Can. was to say -

the Can. asked, "what did you do with
your knives?" - S.B. replied, "soldiers had
taken them away" - some with
guns - spears - horses - 30 Arrows

Can. sed
"do you think gov't. treats you right?"
+ S.B. sed, "not" - the Can. sed, "is
this all the rations you get?" + S.B.
sed, "yes" + the Can. sed, "I will
have to go back + report but you
