2 or 3 day after SB had talked HB with can. he told WB, when ~~SB~~ my relatives began with wild game & God created this land for the Ind. - & my girl bag. But as soon as the white peo. came over & saw the good country they came fast & the gov's passport treated me rite - the white man shoots at me every chance they get & tries to get my Black Hills & game & my Ind. is strong & lives on meat. - The B. Hills had some gold & silver & all kinds of minerals, stone, soils, timber, & H₂O & ~~all~~ that all used to be mine - ~~stay~~ But as soon as the gov't knows all that is in the B. Hills all his attlys, sold. & citizen moved around those B. Hills as long as the world & stands the Ind will get benefit off these B. Hills -
