Library of Congress
Washington 25, D.C.

Dear Mr. Warner:

Thanks very much for your letter of January 14, circular 15, and the refund check for \$3.00. This information was just what I needed.

However, the check has been erroneously drawn to the University of Oklahoma, which is not involved in my research. I am returning it herewith. Please send me a check in the same amount, drawn to me personally.

Cordially yours,

Walter S. Campbell
