Mr. W. S. Campbell,
Department of English,
University of Oklahoma,
Norman, Oklahoma.

Dear Mr. Campbell:

In Dr. Buck's absence his secretary, Miss Palmes, has handed me your letter of the 15th asking for material on Sitting Bull and Sioux Indians in Canada.

There is some material on the subject in the papers of Joseph R. Brown and perhaps in the biographies of Dakota Indians by C. A. Eastman. Marion P. Satterlee, 4849 Emerson Avenue South, Minneapolis, Minnesota, has done a great deal of work listing the names of Indians and victims of the Sioux massacre and might be able to be of much assistance to you in this matter.

If I discover any other manuscript material relating to the subject I will give a list of the same to Dr. Buck for you upon his return.

Very truly yours,

Phil B. Virtue
Acting Curator.

P.S. I wonder if Mrs. Phoebe White-Lovoy is still in your department. If so, will you kindly give her my regards. EWS.
