

Feb 2, 1930.

State Historian,  
State of North Dakota,  
Bismarck, N.D.

Dear Sir:

I wish to raise a point of information.

Can you inform me as to the relative number of Indians and Whites in North and South Dakota according to the census of 1890?

I have found it stated that the ratio was ten to one, but desire to have confirmation, for a piece of research I am doing.

Yours cordially,

(PROF) W.S.CAMPBELL
