M. S. Campbell  
Norman - Okla.

Dear Mr Campbell:-

Please do not return the picture of "Burnt in the Face". I want you to have it I have had it many years - Do you know how he got that name? Soon after Fort Reno was established, they were burning the prairie grass, and this Indian was caught in the fire - my uncle J. D. Miles was agent at the time near at Darlington, Now Please do not return it.

yours cordially  
Mrs. Cleveland,
