

My children, my children,

It is I who make the thunder as I circle about--

The thunder as I circle about.

My children, my children,

It is I who make the loud thunder as I circle about--

The loud thunder as I circle about.

This song evidently refers to the Thunderbird. It is one of the old favorites from the north, and is sung to a springy tune in quick time. It differs from the others in having only a part instead of all of the line repeated.
