730 Fifth Avenue - New York

My Dear Stanley
The Mercury sends to our school
paper (The Native American) a copy of your
recent article "The Wooden Indians". I
am requesting permission to re-publish
it in full and you might add your
request to mine if you feel so dis-
posed —

You are so nearly right on every
point you discuss that I wonder you
could find a publisher!
Could you know the Indians of the
