It's still
there

Dear Sir:

Some years ago I remember, while enjoying the facilities of your library, that I saw on display there a splendid collection of American Indian pipes. I believe this was a loan exhibit. Do you still have that? Is it for sale? Who owns it? If you don't have the exhibit, can you tell me where it is now?

Cordially yours,

W. S. CAMPBELL
(Stanley Vestal)
