Keep the Hoop-Pipe in the AC tipi?

Or rather in that of the Head Chief who is its keeper (+ is Keeper of the Camp itself)

AC-Tipi not a mystery or sacred tipi - rather only a Council or Soldiers' tipi

Every Monday or Tuesday?, take the covers of the 2 tipis (or 2 similar covers kept for purpose - in these - respectively) + from them (war + peace, red + blue) make a large central tipi. In this prepare or renew the pipes of Brother hood, rehearse the songs, + dances, + instruct the Elder Brothers - Or use the DS tipi??

From this tipi lead the younger Brothers to the Council House for the Secret rites. Let this tipi be taken down of the War + Camp chiefs during the secret rites, (or left for the DS feast) and taken away before the parade comes off

Simplify the D.S. requirements for membership -

DS tipi half Red - Half Black?
