Superintendent Five Civilized Tribes,
Muskogee, Oklahoma.

Dear Sir:

My old friend, Walter Ferguson of the Exchange National Bank of Tulsa informs me that you have a considerable number of copies of the laws of the Choctaw nation published in 1869. As you may know, I take a great interest in the history of the Southwest and publish from time to time under the name of Stanley Vestal. If you can spare a copy of this book for my library I shall be very grateful and will see that it is well taken care of.

Yours faithfully,

W. S. CAMPBELL.
