"Who once said that number of ^{daily} prayers
to the Great Spirit, + gave thanks for his
food + protection!"

During ^{last} 3 years - (4, 5, 6²) his wife went
west + left a journal (where is
that?) "

Her journal of thirteen thousand
miles of wild rambles" has no doubt
contributed measurably to the interest of
Cather's published notes."

Interesting to imagine how they rambled
in their complicated clothes thru the wilds
~~with~~ - Cather's army of freshly painted portraits
in a tin box on her back - the dry garments
unstrapped, rolled up in burlap sacks -
