Inclination Love

He "has a share of unconquerable perseverance  
such as falls to few artists in any country"

My words

"C has perpetuated the footsteps of a nation"

Gives us inds in their nation's simplicity & dignity

→ not as white men know them — "their

plumage despoiled, harassed, chased, — a  
basket of dead game," (where from?)

—  
left a record "unique & indispensable for the  
benefit of future generations" —

To his own time he seemed to have spoken  
too well of the Indians."
