Dear Dr. Campbell:

Reference is made to your letter dated January 3, 1956, in which you ask to be advised as to the tribe to which the Women's Matoki Society belonged.

In Bulletin No. 159, issued by the Smithsonian Institution, Bureau of American Ethnology, John C. Ewers indicates that this was a Blood Indian women's society. On page 253 of this publication is a brief description of the erection of a Matoki ceremonial lodge.

Sincerely yours

Virginia Walton
