WASHINGTON 25, D. C.

Lud. Lang.

December 18, 1947.

Mr. W. S. Campbell
The University of Oklahoma
Norman, Oklahoma

Dear Mr. Campbell:

Receipt is acknowledged of your
letter of December 6th.

Dr. Harrington states that the
word musk-amoots is apparently Shoshoni and
not Crow. However, he believes that it is
possible the term may have circulation out-
side of the Shoshoni tribe.

Very truly yours,

M W Stirling
M. W. Stirling,
Chief.
