September 21, 1948.

Mr. W. S. Campbell
The University of Oklahoma
Norman, Oklahoma

Dear Mr. Campbell:

I have your letter requesting the meaning of the Indian name, Tou-u-len-en.

Dr. Harrington states that Tou-u-len-en belongs to that class of personal names which have no meaning known to the Indians, but are given because they have been borne by ancestors.

Very truly yours,

M. W. Stirling

M. W. Stirling,
Director.
