Dear sir:

I am informed by the Chief of the Bureau of American Ethnology that the sign language movie film sponsored by the Department of Agriculture and supervised by General Hugh Scott is now in your hands..

May I inquire what a copy of this film would cost, or whether a copy could be obtained gratis by this University?

I should also like to know whether it is possible to rent copies of this film, and if so, at what charge.

Sincerely yours,

W. S. Campbell
