Kola:

Thanks so much for your kind letter of June 30. I was very happy to get that information.

What was the old man like? I always wondered about him -- whether he was big and brisk like White Bull or gentle and small like his other son, Chief One Bull.

I wish I could visit you but I am heading East this year.

White Bull gave me another Indian name - Ocastonka. Is there a sign for that one too? If so, I should be glad to have it.

Cordially yours,

WSC:mr
