Dear Sir:

I have just completed reading your book "Warpaths and Council Fires" and I thoroughly enjoyed it. I was particularly interested in the Rosebud fight and have had considerable discussion with Mr. Roy Johnson of The Fargo Forum and Major Frank Anders concerning this engagement.

I would like to know whether in your opinion General Crook met the full force of the five Indian tribes that a few days later defeated General Custer on the Little Big Horn. Could you give me some references where I could find more in detail the events leading up to this particular engagement. Any information that you could give me would be very much appreciated.

Sincerely,

Wilfred Jackson
