

Who pays PC for horses - for land money?

Have all money due us of past treaties

(Grass gets great applause on every count)

X This act like a tree - gets smaller + smaller all the time
 as it goes up - white men (will try pay for land? will they settle
 soon? W.M. here bargainers - always buy cheap + sell dear

"I know it, for I have been raised right among w. people
 ever since I was a little boy, + seen so much of
 it that I say I know it."

Plenty of land & of here no one has taken -

when all land & is full, the St Faith will buy land.

for his children -

∴ ~~the man~~ any body ^{that} dont understand to Bill + does
 not by to, is the man that will go + sign first

As for me, "I cant see anything in there that I could put
 my name down on there, ~~for there is nothing mentioned there~~
~~that~~ not induce me to do it, + justify it (great applause).

We have considered this matter as well as we cd +

come to conclusion - there is nothing in there for us - no

more than in the past, + we wd not gain by that.

That is the crux of all you see here, it will not sign ^{that's} all
 (applause)
