later  
here after a brief hospital check and treatment has entailed considerable expense cramping immediate remittance.

Your air mail reply of May 22 to my inquiry about \$600. total expense has just come in. I am returning to Port Washington on May 31st. and my address there thereafter will be 33 Carlton Ave., Port Washington, N.Y., Care Brestovan.

For the moment this seems all necessary to say excepting that while you are in Washington D.C., if planning to be there, make a note of the address of Mrs. Irving Dunlap, 1728 Q Str., N.W. She is the daughter of Col. & Bvt. Maj. Gen. Smith, commandant at Fort Clark when she and my wife were there and a 19th. Infantry girl who can assist in any personal checking you might wish to make. She has been helpful and I am sure would be delighted if you should find occasion to call or refer to her in any way. I stayed at her home when marrying my wife in Washington. She might be able to shorten research you deem essential. ✓

Sincerely,
