RESULT OF 1ST JUDGES CHOICES; A total of 25 girls were chosen on lists! Of these 16 girls appeared on all lists at least twice! A remarkable show of unanimity. Here, then, are the 16 girls we've eliminated down to for special consideration tomorrow. Notice also the numbers of the 9 others who can be reconsidered if any judge desires to do so. Otherwise we will consider the 16 as our semi-finalists and--though we will see all girls again tomorrow morning and Sunday morning--give our attention to ranking them in proper order. Do this independently tomorrow morning and be ready to discuss ranking at the Mygatt luncheon at 12:00
