74. catch the Bear intended  
to go office and took the 15<sup>th</sup>  
shots

Has been in other exciting  
places - had his nerve - knew  
what he was doing, saw &  
heard - altho some police were  
so nervous - didn't know what  
they were doing -

WB fell at first shot - sed  
nothing - no sound

anyone else shoot S.B.? D.K.  
after 3 shots - general mixup all  
in action -

---

could see rifle sparks when  
3 shots so dark - when all over  
daylight & cooking breakfast.

---

after dancers fled - all  
shotted each one who peeped up -  
WB says, "Some your shots, they may  
come back or we may have a  
bigger fire yet, if they do  
charge - you all want to start  
for the barn, there is where we
