

1 it may have to the conditions imposed, together with its  
2 budget recommendations for the next fiscal year.

3 (b) The Secretary of the Interior shall certify to the  
4 Secretary of the Treasury the amount of any sums or any  
5 unexpended balance of such sums theretofore or thereafter  
6 expressly appropriated, or the proportionate share of any  
7 general appropriation, for the administration of such function  
8 or service within the territorial limits of the community.  
9 The Secretary of the Treasury shall place such sums to the  
10 credit of the community, to be paid out on the requisition  
11 of the bonded disbursing agent of the community. The  
12 expenditure of such funds shall be subject to all Federal  
13 laws and regulations governing the expenditures of Federal  
14 appropriations.

15 (c) The Commissioner shall aid and advise the  
16 community, and the local Federal employees shall cooperate  
17 in any feasible manner at the request of the community,  
18 in the administration of the function or service transferred.  
19 The Commissioner shall also make available to the Indian  
20 community any facilities, including any lands, buildings,  
21 and equipment previously used but no longer needed by  
22 the United States in the administration of Indian affairs  
23 within the community.

24 (d) Whenever the Secretary of the Interior shall  
25 determine that the community has failed to comply with
