

2--Mr. W. B. Edwards

January 9, 1957

we would like to have you attend it and sit in on one of the evening roundtables. I think you would enjoy the experience, and would certainly have an opportunity to meet a lot of writers (about half of our patrons have published something, and all of them are very much in earnest).

Cordially yours,

W.S. CAMPBELL
(Stanley Vestal)
