Director, National Archives  
War Records Division  
Washington, D. C.

Dear Sir:

Since you did not receive it, I am enclosing a copy of my letter of December 14 herewith. I shall be happy to have as prompt reply as possible.

"I have undertaken to edit the memoirs of a lady, the daughter of an officer of the old regular army in the last century, for the University of Oklahoma Press.

For my annotations, I shall need some authoritative data on the service records of certain officers and army posts listed on the attached sheet.

I shall be grateful if you will give me an estimate as to the costs of photostats of such records for my purpose."

Cordially yours,

W.S. CAMPBELL  
(Stanley Vestal)
