

TO
AMERICA'S OLDEST ALLY
THE IROQUOIS CONFEDERACY

"PEOPLE OF THE LONGHOUSE"

Mohawks, Oneidas, Onondagas, Cayugas, Senecas,
To Whom Were Later Added The Tuscaroras, Constituting

THE SIX NATIONS:

Founded by Deganawidah and Hiawatha, who
"Planted the Tree of Peace" at Ononadaga
(Syracuse) some time before the coming
of Columbus.

They excelled in statemanship and the art of war. After the white man came, during more than a century of inter-colonial strife they loyally protected the infant English Colonies, showed them the way to union, and so helped to prepare the American people for Nationhood.

(This is the inscription of the future memorial, our latest project. Help us make this monument a reality.)
