

Size 5, about 6½ by 8½ inches,
beaded on one side.....\$2.50

Size 10, about 10 by 12 inches,
beaded one side.....\$7.50

This last number is extra large and heavily beaded on both sides and is one of the most showy bags made.

Pottery. We carry a line that is made by the Hopi Indians of Arizona and have pieces in price from 50c to \$3.00 and will be pleased to send descriptions.

Pima Baskets are among the best made and most durable of all the many kinds of Indian baskets, and we have them in an assortment of sizes and shapes and designs. They range in price from the small toy baskets at 75c to the large olla shapes that are suitable for scrap baskets. Also, we have the Pima placques in their beautiful shapes and designs at from\$1.50 to \$4.50

NAVAJO GOODS

We wish to say that we secure our Navajo silverware and rugs, or blankets, direct from the traders and friends on the Navajo reservation. We hesitated a long time about putting in a line of these goods, for it is our policy to handle nothing but the very best of any tribe's make, such goods that we can unhesitatingly guarantee. However, we feel that we have secured a line of the very best of these makes, and do not hesitate to place our guarantee on every item we offer in this line. The line is not very large, but is of the very best. Many imitations of the silverware, as well as of the rugs, are being put on the market, and unless you are an expert, you are liable to be
