man holds parley - + D. promised
 to meet Gen Crook in the border is
 at 2 moons (actually it was 20 days)
 met on Mar 23 at El Canon in Mex
 25 mi So of the line. The understanding
 was that he should not be accompanied
 by troops. Inds on rocky hill -

Crook demands three unconditional demands
 (See Crook's Report - where is it)

The only propositions they would entertain were
 three (1) that they should be sent East for not exceeding 2
 taking such of their families as they desired.

(2) that they should all return to the reservation
 on the old status

(3) To no waypath with all the attending
 horrors.

He decided quickly accepted their surrender
 on the first proposal + all started escorted
