? — W. Cutler, Esq.
County Attorney, Ford Co.
Dodge City, Kansas.

Dear Sir:

I am advised that the Civil authorities in Ford County are not working harmoniously together in the preservation of order and Enforcement of law and that some of the County Officers lately elected have failed to qualify.

I will deem it a special favor if you will advise me at an early day of the true state of affairs in your County.

Yours truly

Thomas A. Osborn
