Assistant Adjutant General  
Department of the Missouri  
Fort Leavenworth, Kansas

Sir:

The attention of the Department Commander is respectfully invited to the following statement of the quantities and kind of supplies furnished for the subsistence of the Indians at the Cheyenne and Arapahoe Agency, for the fiscal year ending June 30, 1879 and in connection therewith, to the amounts of the same necessary to subsist these Indians to the same date, that the very large deficiency, that must exist, may be made more apparent.
