I have the honor to report that Major Page Lieut Wallace and myself were arrested by the civil authorities charged with selling liquor to Indians and accused of outragious violations of law.

I will proceed to Topeka without delay accompanied by the above mentions officers and Asst Gen De Gnew and Lieut Philip Reude as witnesses.

The process was instituted on the presentinent of F. F. Jones late Interpretor and William Seamore(alias Apache Bill) assisted and conducted by Chaplain A. G. White and Citizen S. P. Wheelor as a retaliitory measure.

I respectfully ask to be permitted to employ counsil for the above named officers and myself as this proceeding is instituted by reason of my official acts--and I would also respectfully ask that the counsellors be designated by Dept. Hd. Qrs as I am ignorant of the legal capacity of any lawyer in the state.

Please address Communications to me at the Capitol House Topeka, Kansas.
