Quinton, I.T. June 13. 1907.

John L. Springston,

Dear sir:--

I received yor letter in regard to my brothers death. His
first wife was Samantha Bryant, they married in Springfield, Mo.
I do not know when or where she died, it has been 25 years since
I saw him, and I dont know who he married the last time. I have
one brother in Arkansas some where, but I dont know where--
His first wives people all live in Springfield, Mo.

That is all I can tell you--

Yours truly,

Mrs. Scott Robinson.
