

John Ross & D. W. Bushyhead
 were the only 2 chiefs that
 ruled the Nation in the interests
 benefit & stability of the Cherokee
 people -

The Ross party under John
 Ross & the Downing party under
 Lewis Downing others - then D. W.
 Bushyhead, under the National
 Party - the birth of the National
 party came at Gulegers Spring
 in July 1879 - as a perma-
 nent representation organized
 political party - its leaders were
 D. W. Bushyhead & Rabbit Bunch -
 & the Cherokees prospered under
 his Bushyhead & Bunches
 rule, as never before nor
 since -

the in the late 80's J. B.
 may came in as chief - &
 the day he entered as leader
 that day on determinations set in -
 & in such condition continued,
 & eventually lost - see now
 1926 - June - a lost Nation
 & fast disappearing people.
 The original inhabitants of
 the new United States of
 America -

100 percent Indians of
 North America -

The original North
 American -

Grand, gallant & imposing
 do thou appear to me in my
 wake & in my dreams - AND
 in such a way, Can never
 forget the hand that has greeted
 me & on more than one
 occasion - as thou wilt
 always recall - wearing your
 beaded Diadem studded
 with an all glittering Tiara -

From Branch the Sea
