

6-28-26 -

Bood & Family will
be here enroute to Memphis
about the 6 or 7 of July - for
overnight with us -

#

June 29 - 1926 - Tuesday 9 a.m.

The day fine & warm -
No news of note except from
Oklahoma Supreme Court on the
M. E. Wapp case - for filing
as candidate for the Primaries
in the race for Gov -

The Court decided against
him 6-28-26 - because he is now
Gov & can't succeed himself
as Gov -

Oklahoma Constitution fortifies it,

Walter Reed's baby's lam is im-
proving towards relief - And
chances good for recovery,
from an attack of dysentery -

This day passed off fine
indeed + no news at all,
all quiet & peace so far
at 8 p.m.

#

June 30 - 1926 - Wednesday -
8 a.m.

The day opened fine indeed,
no news so far - Mamma
is in a chicken muddle with
Mrs. Scott -

Fine all day - all quiet
& peace - not a ripple on the
waves of time - 7 p.m.

Waiting patiently for Bood
& Lulu to come July 6 or 7 -
enroute for Memphis, Tenn -
