

Sept 22<sup>nd</sup> 1926 - 9 a.m.

Bright nice day, quite a breeze & slightly cool - No news - Brodie to come soon. by Sunday anyway -

Surroundings generally acceptable - no known neighbors in reality, no associates at home or otherwise - as far as known - though not surprising - no word or news from old home - except paper, the "Press" from Mrs. Scott. Supposedly - the Times treat one of them now on - at Galliscaw for the killing of Chucalate -

Daugherty & Miller case also up - noted case - for swindling the govt of \$7,000,000. - Pro & Con strong - too much money involved & parties too prominent, to amount to success for the govt - Daugherty is a good lawyer - knows what has been done & how - & fearless -
