

Oct 18 - 1926. Monday,

Day fine, no news, nothing unusual -

Minnie, Lucille & Irene came to see us p.m. for awhile. Some consolation in my lonely moments - not too much of a kind, talk that is an aggravation - if there was any - thing in it would be worth telling - tis now so that if you treat a thing kindly or show a grateful disposition towards it, it will have the effect of a repulsion and flare-back on you - a disdainful effect -

The day passed off fine -

Oct 19 - 1926 - 8 a.m. fine indeed, all quiet & peace. No news as yet - from any-where -

We never know what the morrow will bring forth - good, bad or indifferent - generally bad & indifferent - as time amply develops - All well, talk is cheap -

Oct 22 - 26. A.P.M.

Nothing on to state - This day cool & slight rain, very disagreeable - letter from Mattie, nothing new -

Wrote Juxie Hunter today reply to his last - rec'd letter from Mr. Pierce wanting Bryan Proof - sent same day -
