

Dangerous I am advised -
Somewhat similar to a
paralytic stroke -

A fit - as it were, and
as near fatal as possible
for the time, on the effect
of the stroke -
The stroke during time of
time borders on futility - in-
consciousness -
Caused by or accompanied
old age & senile debility -

~~Feb 5-1927~~
Feb 5-1927 - 10 A.M.
The a.m. opened rather
warm - No news of any
sort afloat -
Yesterday A.M. Recd my
Pension Check. \$72⁰⁰
for Jan -
No word from the
Med exam as yet for the
increase to \$92⁰⁰.

Very, very uncertain world,
I much worry people -
All & everything as yet
uncertain -

Dishonesty reigns Supreme,
from the highest to the
lowest - And especially in
official life - The dollar,
no more, no less - &
immunities how secured -

Bord, Lulu Comm this eve
for a short visit - for ev -
Bord looks fine indeed -

Accidents - Damages
may be - Exemplary &
Penitence -
