Ingersoll would say -
Loneliness causes my
attacks more than else -

The Wm A. Clark
Mansion in New York.
142 rooms. Cost of
building \$7,000,000 - per
Clark was the great
Copper King of Montana -
one time U.S. Senator
from that State -

Wonderful what attraction
New York has for Capital -
When Clark went West
he was penniless, when
he returned to New York
he was worth \$10 million
by the millions.

2-9-27 - 11 a.m.

Cold, dreary & dull this
day - ice & freezing - Very
Cold indeed - No news of
note - of any kind or from
anywhere -

Conditions discouraging as
to matters in general -

Time & time my change
for the better - soon -

The weather to-day -
the worst of the season -
ground frozen - ice, slut,
wind & all else to make
up for bad weather -

Henry case -
note Jonah Henry a letter
general inquiry - after
the relations of the family -
he lives at Claremore So
