WAR-STAMP TAX

Effective December 1, 1917, parcels on which the postage amounts to 25 cents or more are subject to a tax of one cent for each 25 cents or fractional part thereof. This tax must be paid by the sender by *special internal revenue stamps* affixed to the parcels; postage stamps are not valid for this purpose. The internal revenue stamps must be canceled by the sender by placing or causing to be placed thereon, *with ink*, his written or stamped initials, together with the date upon which the stamps are attached or used. In no case, however, should the sender cancel *postage* stamps affixed to parcels, such stamps must be canceled only by postal employees.

The tax is not applicable to parcels on which the postage amounts to less than 25 cents. On a parcel subject to 25 cents postage the tax is one cent; on parcels on which the postage amounts to from 26 to 50 cents the tax is two cents each, and so on.

The War-Stamp Tax does not apply to parcels for foreign countries, nor to parcels for Porto Rico, the Philippines, Canal Zone, Virgin Islands of the United States, Guam, Tutuila and Manua, and other Islands of the Samoan group belonging to the United States, United States Naval Vessels and the United States Expeditionary Forces.

In determining the amount of postage on which the tax shall be based, the fees paid for special-delivery and insurance or C. O. D. services shall not be counted.

Internal Revenue Stamps for use in paying the war tax are sold at the General Post Office and all stations.

Parcels will not be accepted for mailing unless both the required postage and tax are fully prepaid.
