

Nov 17 - 1927 - Thursday, 2 p.m.

Fine day but rather cool - no news -
I see from the World of to day that Waddie
Hudson is in the Pen at McAlisters -

also,
the death of Caroline Post, of Woodall
Okla, on the Bayou -

also
death of Mr A. Evans of Park Hill a 40
year resident there -

Boodie informs me that Ruth was
in Tulsa within ten days past - she
appears to be failing one & fast - that is all
right - I was 83 young, & now I have
been for since Dec. 1926, virtually helpless &
unable to secure medical attention or any
other kind as to that matter -

To day Oklahoma became one of the
U. S. States, - Nov 17 - 1907. - and
C. N. Haskell smelling around supposedly
for some kind of a job - again -

Our Mr. Corbin was in town yesterday -
Mrs Bose came to see us this day p.m.

Last night the Orasso School had a
pow pow or Powwow - , so said, a
grand time -

Minnie, Lucille & Irene came this
eve for a short visit - no more -
