July 30 - 1928 - A.M.

No News - dreary day - no stir.  
all quiet -

Bood, Lulu, Jr & Babe came for  
a Sunday visit, p.m.

Mamma has more little chicks  
to feed - 9 of them -

At noon to-day Mamma  
went to Dawson (near Tulsa)  
looking after a house to rent -  
returned at about 1 p.m. unsuc-  
cessful, though offered a log pen to  
live in -

We have till Nov 5, 1928, here,  
if misfortune doesn't overtake us -  
though we will move by Oct 1,  
somewhere, even only out by the highway -

That would be Civilization as handed  
out & doled to Mr. Sycamore
