July 30 - 1928 - A.M.

No News - dreary day - No Air.
all quiet -

Bood, Lulu, Jr & Babe came for
a Sunday visit, p.m.

Mamma has more little chicks
to feed - 9 of them -

At noon to-day Mamma
went to Dawson (near Tulsa)
looking after a house to rent -
returned at about 1 p.m. unsuc-
cessful, though offered a log pen to
live in -

We have till Nov 5, 1928, here,
if misfortune doesn't overtake us -
though we will move by Oct 1,
somewhere, even only out by the highway -

That would be Civilization as handed
out & doled to Mr. Sycamore
