

nice & bright-day -
no particular changes
 in the war programme

Long may old Glory wave
 & successfully for the brave
 Ladies now in France -
 Stand under the Stars &
 Stripes as we did in
 1861, 5 - To Victory over
 Brute force -

We, in 1861, 5, fought
 against similar foes, we
 fought them with their
 backs to the wall, and we
 went over the top strong
 but lost our President
 the beloved & noble Abraham
 Lincoln -

Long & victorious may the
 old flag wave & bring
 right & justice to all
 alike -
