NOV 17, 1918 - p.m.
Saw Buddie enroute
home Tulsa - had been
down to see the kids
at Ft Smith —

not looking so well
but feeling fine — and
happy —

Ford Allen & Bill Sharp
left at same time on
same train for H.C.
for Morriston Tenn
by train from Sallisaw with
Bhadu —

Buddie is doing well &
progressing fine with
his work at the Bank
officials —

All here seemed to be
glad to see him, at
the train —
