Anderson Barnaby  
Came to me in my office  
& inquired why I didn't keep  
& use the \$500. Sent him by  
check, till the final settlement  
of the insurance matter  
from Anthony -

He returned the check to me  
and said it was for my  
use till then - & when the  
work was all done & the  
insurance payments was  
settled then I could return  
the \$500 to him. So I taken  
it - after such distinct un-  
derstanding -

All the money he has let  
me have was not a full  
settlement of the claim
