

Saturday, 6-7-1919.

Have been quite sick all week, but am now enjoying some relief from the strain -

Heavy rain last night, & still cloudy & threatening to-day -

Nothing unusual on

Flanders from Wrijver came Wednesday for the Lizzie Barnock's land lease. He went & brought the parties in & I secured for him their consent to lease to him for 5 yrs Lizzie's 120 acre allotment.

They for a time sternly rebuffed the proposal - but finally prevailed on them to consent, 5 yrs, at 75 per acre - all rentals in advance -

Very sick when I did this - my fee was 50.00 originally. Flanders allowed only 10.00. My balance of 40.00 I must & will come for -
