allowed & paid

March 28-1916. Mr. Pierre came
to my house p.m. & popped in
\$7⁰⁰ in his case -

My reply to him was, as I had before
advised that in the 1912 act no fee
was allowed in appli for Pension
in said act - at the same time, I had
done other work for him - family history
etc - but no fee in his pension, as I
understood - it -

Then he proposed to let me have it
to keep me along for a time, & in time
I pay it back to him -

Some time ago he loaned me 2⁰⁰
expenses to Bragg & return -

both amounts I am to repay in in -
installments beginning May 4, 1917, as
agreed on -
