DOESN'T SOUND POSSIBLE
But Marriage of Father and Son Apparently Makes Younger Elder's Father-in-law

MUNICH, Sept. 27.—The recent weddings of Karl Braun, 25 years old, and his father have started an endless chain of relationships which has got beyond the reach of genealogists and culminated in Braun becoming his father's father-in-law.

Young Braun married a widow of 48 with grown up children. Shortly after his father, 69 years of age, married the 24-year-old daughter of his son's wife.

Genealogists figure that as a result of the two weddings young Braun became his father's father-in-law and that his wife's daughter became her mother's mother-in-law and the step-mother of her own stepfather.
